Study Guide for Lesson #23 – A Holy People, Separated unto God (Pt. 2)

September 2, 2026

1) What everyday ways to teach children about God do you find in Scripture? Why was it important for the Israelites to teach their children to worship the one true God after leaving Egypt?

2) Please read about the dietary laws God gave the Israelites in **Leviticus 11:1-47 and 17:10-16**. Another place to read about these laws is in **Deuteronomy 14:3-21**. After last week's discussion of holiness and the national unity of Israel, do you see ways in which these laws supported those purposes? If so, in what ways?

3) Please read about some of the moral laws God gave the Israelites in **Leviticus 19:1-18** and elsewhere of your choosing – they are found throughout the books of Exodus and Leviticus. In what ways did they unite the Israelites and shape/support holiness?
